

ANNIE

He called me late and we hung out.
It wasn't a big deal. And it was
fun.

LILLIAN

Ew, you had sex with him.

ANNIE

We had...an adult sleep over.

LILLIAN

Oh, did you let him sleep over IN
YOUR MOUTH? ...Annie!

ANNIE

I'm sorry. He kept putting it near
my face.

LILLIAN

They do that.

ANNIE

Let us offer. If we don't offer--

LILLIAN

You're supposed to slap it away.

ANNIE

I couldn't! You don't want to look
right at it. It's too aggressive.
It's like...

Annie imitates a penis.

ANNIE (CONT'D)

That's my impression.

Annie sticks out her elbows.

LILLIAN

Those are the balls?

ANNIE

I'm trying to make it round, but I
can't cause I have elbows. He's so
hot though!

LILLIAN

Look, I know you say he's cute and
all that stuff, but it makes you
feel like shit. You're a total
catch and any guy would be psyched
to be your man.
